SUMMARY

Builder and operator with **3+ years of experience** across startups, student communities, product operations, and growth execution. I turn messy ideas into structured systems, ship fast, and work closely with teams to solve problems. Deeply interested in **AI, the future of work, and Gen Z career ecosystems**. I thrive building from zero, solving complex problems, and scaling marketplace dynamics in fast-moving environments.

SKILLS

- **Operations & Growth:** Startup Operations, Product Execution, Community Building, Growth, Founder's Office Support.
- **Tech & Execution:** Process Design, AI Tools & Automation, Cross-functional Coordination, React Native, Node.js, SQL.

FOUNDER & STARTUP EXPERIENCE

Serial Founder (Campusmart, Collegepaglu) | Builder & Operator | Delhi 2019 – Present

- Built and experimented with multiple student-focused and internet-first ventures across education and digital products.
- Scaled Campusmart, a student-focused marketplace, to 1,500+ active users while handling product, growth, and operations.
- Managed end-to-end execution across product building, user onboarding, and monetization with zero external funding.
- Worked directly on solving Gen Z student problems through fast iteration, community feedback, and lean execution.

PROFESSIONAL EXPERIENCE

Micro Kahani (microkahani.com) | Founding Engineer | Remote Dec 2025 – Apr 2026

- Helped launch a full-stack streaming app from scratch, figuring things out fast to scale the platform to 5,000+ users.
- Worked closely with the founding team to manage app infrastructure, creator uploads, and seamless user experiences.

Unstop | Product Operations Lead | Offline Jul 2025 – Dec 2025

- Handled end-to-end execution for student-facing app features, working closely with developers and designers to ship reliably.
- Improved coordination between design and engineering teams, optimizing user journeys and helping launches move faster.

LawSikho | Operations & Strategy Lead | Remote Jul 2024 – Jun 2025

- Streamlined the user onboarding flow and built systems to replace manual tracking, improving internal execution.
- Figured out a better process for technical mentorship handoffs, ensuring 100% on-time delivery and career readiness for users.

Careerwill | Growth & Operations Manager | Remote & Offline Jan 2024 – Nov 2024

- Managed end-to-end execution for EdTech product releases, coordinating between engineering and marketing to launch smoothly.
- Streamlined onboarding workflows and reduced manual data entry, helping increase active user conversions by 25%.

LEADERSHIP & COMMUNITY

Startup Sphere (MAIT) | President & Operations Head | Delhi, India Jul 2021 – Feb 2023

- Built and led a 10,000+ member startup community focused on student entrepreneurship, early careers, and innovation.
- Organized 30+ startup events, workshops, and networking sessions connecting student founders with industry speakers.
- Led cross-functional teams across partnerships and operations to actively transition students into tech and startup opportunities.

EDUCATION & HIGHLIGHTS

- **Education:** B.Tech, Information Technology | Maharaja Agrasen Institute of Technology Grad: 2027
- **Awards & Certifications:** Smart India Hackathon Finalist; Google Project Management Professional; CSM Certified.
- **Speaking & Leadership:** Delivered keynotes on startup execution and student community building at IIT Delhi.
- **Interests:** Exploring Gen Z internet trends, bootstrapping micro-SaaS projects, running, and yoga.
